As reported in an ad-hoc notice on 15 July, Fabasoft took part in the bidding process to acquire 21.24% of the business shares of "A-Trust Gesellschaft für Sicherheitssysteme im elektronischen Datenverkehr GmbH", 1030 Vienna, Austria, by submitting a binding offer.

Today, Fabasoft was informed by the external transaction consultant commissioned by the yielding A-Trust partners with handling the sale of the business shares that the offer by Fabasoft has been ranked in second place, and that the transaction consultant assumes that a conclusion will take place with the bidder ranked on first place. According to this, Fabasoft is unlikely to be considered.
